General Rules and Regulations

State aid will be allowable on up to two monies under any one (1) premium number to an exhibitor.

1. The Association will use every reasonable precaution to safeguard the public, exhibitors, employees and exhibits, but positively will not be liable for death, loss, theft, damage or injury to person, animal or article from any cause.
2. Board of Directors will be in session during the week of the fair. They will hear and decide all questions affecting the rights of exhibitors or duties of employees.
3. The Treasurer will be at his office on the grounds during the week of the fair and will be ready to transact business at all reasonable hours.
4. Entries must in all cases be made on the Secretary's books and the entry card properly attached to the article or animal before it will be entitled to be placed within the enclosure; and no article can be removed from the grounds until the close of the fair without permission from the Department Superintendents.
5. The General Superintendent will provide for reasonable wants of exhibitors and see that good order is maintained on fairgrounds.
6. Exhibitors are required to keep their stock accessible to visitors at all reasonable hours during the fair. All pens and stalls shall be kept in sanitary condition. After being notified to bring out their stock for exhibition, they will be allowed 15 minutes to get the stock into the ring, and at the expiration of that time may be ruled out.
7. Judges on stock will give proper regard to size, symmetry, breeding, early maturity and general points of excellence. The expert or one judge system, will be used in the livestock ring, and as far as practicable in all other classes, but will not give encouragement to overfed animals in breeding classes.
8. The decision of the several committees will be final and irrevocable as indicated by the class book returned to the Secretary in regard to premiums awarded except upon positive proof of fraud or gross palpable error on the part of the judges. A protest of an award must be made in writing accompanied by an affidavit setting for the grounds for protesting the award and a deposit of \$100.00 in the event of the protest being sustained; the \$100.00 shall be forfeited to the association.
9. Competition in open livestock classes open to Edwards and surrounding counties. Floral Hall exhibits open to Edwards County only. Borrowing, hiring, or temporarily buying animals or articles for the purpose of strengthening the exhibits for show purposes is strictly forbidden.
10. Persons living at a distant can have their entries made at any time by addressing the Secretary and will receive their cards when called for.
11. Exhibitors of purebred stock shall furnish the Superintendent of the proper department satisfactory proofs as to the pedigree of the animals on exhibition. The certificates of registration must be produced and shall be required by the Superintendents.
12. Objections to the Judges must be made in writing to the Superintendent of the department setting forth objection over the signature of the protestant. No judge will be removed except for good cause.
13. Any violations of the rules by exhibitors, excludes their competition and forfeits all premiums and if it is ascertained that any exhibitor has in an ungentlemanly and public manner taken exception to the judgment of the awarding committee, the Board of Directors may expel said person offending from competing for a premium or exhibiting on the grounds of the association until he shall have made apology and been reinstated by vote of the majority of the whole Board of Directors.
14. Persons who wish to do so are requested to offer such special premiums, as they may desire. Such exhibits will be governed by the rules of the society and exhibited under the provision of such Department Superintendents as the President may direct.
15. The Board of Directors will endeavor to pay all purses and premiums in full at the close of the fair; but if for any reason beyond their control, they reserve the right to alter program, postpone, declare off, pay in part, prorate any or all purse or purses, premium or premiums offered or award made, as local financial conditions warrant. Upon sufficient proof of deceit or fraud or misrepresentation on the part of any exhibitor any or all purse or purses, premium or premiums or awards made, in question, may be revoked without reimbursement to exhibitor.
16. The Fair Management reserves the right to reject any or all entries.
17. Exhibits/Entries declared ineligible will forfeit premiums won and/or exhibitor will be asked to refund premiums if payment has already been made.

2024 Exhibition Livestock Health Requirements

County Fairs

GENERAL REQUIREMENTS

These Exhibition Health requirements apply to all livestock present at the fair including those animals that are not entered in competitive events.

1. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits.

All out-of-state animals shall require an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.

2. All animals, except as noted, shall be accompanied by a Certificate of Veterinary Inspection (CVI) which shows that the animal meets all health requirements for the State of Illinois. CVI's shall be made available to Bureau of Animal Health Personnel on request. If an official electronic CVI is utilized, the exhibitor should be able to log on and show Bureau of Animal Health Personnel the completed CVI.

CVI means a legible record made on an official form from the state of origin which has been issued, signed and dated by an accredited veterinarian and which shows the name and address of the animal's owner or exhibitor and the results of all required tests or vaccinations. A CVI shall list only one animal identification per line; shall be presented on the form on which it was initially issued; and shall not be corrected, changed or altered in any manner.

3. All animals shall be officially identified. The animal(s) official identification shall be recorded on the CVI.

Animal identification number (AIN): A numbering system for the official identification of individual animals in the United States that provides a nationally unique identification number for each animal. The AIN consists of 15 digits, with the first 3 being the country code (840 for the United States or a unique country code for any U.S. territory that has such a code and elects to use it in place of the 840 code).

4. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
5. CVIs for out-of-state livestock shall be void thirty (30) days after issuance.

6. CVIs for Illinois-origin livestock shall be void ninety (90) days after issuance.
7. All livestock shall be subject to examination upon entry to any Illinois fair or exhibition. Any animal showing evidence of infectious, contagious or communicable diseases shall be immediately withdrawn and held in quarantine at the owner's risk and expense until properly treated and recovered, or until the animal is released to return to the owner's premise.

Any livestock infected with scabies, mange, active lesions of ringworm, soremouth, or multiple warts which are easily visible without close examination shall not be permitted to exhibit and are subject to quarantine or removal from the fairgrounds.

Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses shall not be exhibited and are subject to immediate quarantine or removal from the fairgrounds.

In the event of the suspicion of or diagnosis of a foreign animal disease, emerging animal disease, or other actionable disease, animals may be subject to quarantine on the fairgrounds until such time that it is determined that the disease is no longer a threat.

8. Illinois Department of Agriculture personnel or designee may collect blood, tissue, milk or urine samples from any animal being exhibited and/or raced at any Illinois fair to test for the presence of illegal drugs or banned substances. Examination techniques, such as ultrasound, may also be used at anytime while the animals are on the grounds of any Illinois fair or exhibit.

The Illinois Department of Agriculture or designee may collect urine, blood, tissue or other test samples from exhibition animals at the time of slaughter.

9. All exhibitors of animals at any Illinois fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed, the animal(s) will be excused from exhibition and ordered removed from the grounds with all awards being forfeited.

Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.

10. Any Illinois cattle, bison, cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry.

CATTLE

Identification

Individual identification of each animal shall be either a fully healed and legible tattoo, official metal ear tag, registration number (can only be used if the tattoo is recorded on the registration certificate or for breeds where pictures are acceptable), or individual brands, if brand is recorded on the registration certificate.

Beginning in 2025, individual identification of each animal shall be by a USDA official animal identification number ear tag, ("840" tag). The tag must be able to be read both visually and electronically.

Chronic Wasting Disease

For cervidae changing ownership or moving within the State, the owner must obtain a permit issued by the Department prior to movement and the cervid must originate from a herd that is enrolled in the Certified 8 Monitored Chronic Wasting Disease (CWD) Program or the Contained Monitored Chronic Wasting Disease Program. The permit shall be obtained no more than 72 hours in advance of the movement of the cervids by providing the following information:

- a. Name and complete mailing address of person exhibiting the cervids;
- b. Certified Monitored Chronic Wasting Disease or Contained Monitored Chronic Wasting Disease Herd number;
- c. Name and complete mailing address of location where the animals will be exhibited;
- d. Number of animals and unique identification of the animals.

Out-of State Cervidae

Chronic Wasting Disease

1. All cervidae entering Illinois must be in compliance with the Illinois Wildlife Code [520 ILCS 5]. For more information, contact the Illinois Department of Natural Resources at 217/782-6384.
2. All cervidae entering Illinois must be accompanied by a permit from the Department and a Certificate of Veterinary Inspection that:
 - a. has been issued by an accredited veterinarian of the state of origin or a veterinarian in the employ of the United States Department of Agriculture;

- b. is approved by the Animal Health Official of the state of origin;
 - c. shows that the cervidae are free from visible evidence of any contagious, infectious or communicable disease or exposure thereto, do not originate from a CWD endemic area (any county and surrounding counties where CWD has been diagnosed in the past five years);
 - d. shows that the cervidae are not originating from a herd under quarantine for any contagious, infectious or communicable disease;
 - e. shows that the animals originate from a herd that has been monitored for at least 5 years under a state-approved CWD certification program.
3. A permit number can be obtained by applying online at <https://www2.illinois.gov/sites/agr/Animals/AnimalHealth/Documents/permitrequestform.pdf>. Applicant for permit shall furnish the following information to the Department:
- a. Name and post office mailing address of Illinois destination;
 - b. Name and post office mailing address of the consignor and/or source herds;
 - c. Name and post office mailing address of the herd veterinarian;
 - d. Number and unique identification of cervidae in shipment.

Tuberculosis

1. Accredited Tuberculosis Free States

All cervidae twelve (12) months of age and over shall be negative to two (2) single cervical tests for bovine TB no less than ninety (90) days apart with the second test conducted within ninety (90) days prior to entry. These animals shall be isolated from all other members of the herd during the testing period unless they originate from an accredited, qualified or monitored herd.

- A. Cervidae from an accredited herd may be moved into Illinois without further TB testing provided that a certificate stating that such cervids originated from an accredited herd accompanies them.
- B. Cervidae originating from qualified or monitored herds may enter with a negative test within ninety (90) days prior to entry and a certificate stating that the animals originate from a monitored herd.

2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)

- A. All cervidae shall originate from a herd where a complete herd test was conducted within the past year.
- B. The individual animals entering Illinois must be negative to two (2) additional tuberculin tests conducted within 180 and 30 days prior to entry or exhibition.
