General Rules and Regulations

State aid will be allowable on up to two monies under any one (1) premium number to an exhibitor.

1. The Association will use every reasonable precaution to safeguard the public, exhibitors, employees and exhibits, but positively will not be liable for death, loss, theft, damage or injury to person, animal or article from any cause.
2. Board of Directors will be in session during the week of the fair. They will hear and decide all questions affecting the rights of exhibitors or duties of employees.
3. The Treasurer will be at his office on the grounds during the week of the fair and will be ready to transact business at all reasonable hours.
4. Entries must in all cases be made on the Secretary's books and the entry card properly attached to the article or animal before it will be entitled to be placed within the enclosure; and no article can be removed from the grounds until the close of the fair without permission from the Department Superintendents.
5. The General Superintendent will provide for reasonable wants of exhibitors and see that good order is maintained on fairgrounds.
6. Exhibitors are required to keep their stock accessible to visitors at all reasonable hours during the fair. All pens and stalls shall be kept in sanitary condition. After being notified to bring out their stock for exhibition, they will be allowed 15 minutes to get the stock into the ring, and at the expiration of that time may be ruled out.
7. Judges on stock will give proper regard to size, symmetry, breeding, early maturity and general points of excellence. The expert or one judge system, will be used in the livestock ring, and as far as practicable in all other classes, but will not give encouragement to overfed animals in breeding classes.
8. The decision of the several committees will be final and irrevocable as indicated by the class book returned to the Secretary in regard to premiums awarded except upon positive proof of fraud or gross palpable error on the part of the judges. A protest of an award must be made in writing accompanied by an affidavit setting for the grounds for protesting the award and a deposit of \$100.00 in the event of the protest being sustained; the \$100.00 shall be forfeited to the association.
9. Competition in open livestock classes open to Edwards and surrounding counties. Floral Hall exhibits open to Edwards County only. Borrowing, hiring, or temporarily buying animals or articles for the purpose of strengthening the exhibits for show purposes is strictly forbidden.
10. Persons living at a distance can have their entries made at any time by addressing the Secretary and will receive their cards when called for.
11. Exhibitors of purebred stock shall furnish the Superintendent of the proper department satisfactory proofs as to the pedigree of the animals on exhibition. The certificates of registration must be produced and shall be required by the Superintendents.
12. Objections to the Judges must be made in writing to the Superintendent of the department setting forth objection over the signature of the protestant. No judge will be removed except for good cause.
13. Any violations of the rules by exhibitors, excludes their competition and forfeits all premiums and if it is ascertained that any exhibitor has in an ungentlemanly and public manner taken exception to the judgment of the awarding committee, the Board of Directors may expel said person offending from competing for a premium or exhibiting on the grounds of the association until he shall have made apology and been reinstated by vote of the majority of the whole Board of Directors.
14. Persons who wish to do so are requested to offer such special premiums, as they may desire. Such exhibits will be governed by the rules of the society and exhibited under the provision of such Department Superintendents as the President may direct.
15. The Board of Directors will endeavor to pay all purses and premiums in full at the close of the fair; but if for any reason beyond their control, they reserve the right to alter program, postpone, declare off, pay in part, prorate any or all purse or purses, premium or premiums offered or award made, as local financial conditions warrant. Upon sufficient proof of deceit or fraud or misrepresentation on the part of any exhibitor any or all purse or purses, premium or premiums or awards made, in question, may be revoked without reimbursement to exhibitor.
16. The Fair Management reserves the right to reject any or all entries.
17. Exhibits/Entries declared ineligible will forfeit premiums won and/or exhibitor will be asked to refund premiums if payment has already been made.

For Health Requirement Information:

ILLINOIS DEPARTMENT OF AGRICULTURE
Bureau of Animal Health and Welfare

Springfield, IL 62794-9281
Phone (217) 782-4944

**2026 Exhibition Livestock Health Requirements for
Illinois County Fairs**

I. GENERAL REQUIREMENTS

1. These Exhibition Health Requirements apply to all livestock present at the fair including those animals that are not entered in competitive events. Species specific information follows the general requirements
2. Exhibitors are required to familiarize themselves with all rules applicable to their exhibits.
3. All out-of-state animals shall require an entry permit. Entry permit numbers are available online at <https://entrypermit.agr.illinois.gov/Login.aspx>.
4. All animals, except as noted in species specific information below, shall be accompanied by a Certificate of Veterinary Inspection (CVI).
5. All animals shall be officially identified.
6. All livestock shall be subject to examination upon entry to County Fairgrounds. Examination may include but is not limited to ultrasound, urine testing, blood testing, and similar actions.
7. Definitions, abbreviations, and administration:
 - a. The Illinois Department of Agriculture may be referred to as “Department” or “IDOA”
 - b. The Department contains a Bureau of Animal Health and Welfare, which receives all CVIs.
 - c. Department or IDOA staff, as used in this document, includes all Bureaus
8. IDOA will continue to monitor state and federal trends in animal health as it relates to this document. Any updates to these requirements will be posted on our website.

II. CERTIFICATE OF VETERINARY INSPECTION REQUIREMENTS

9. Certificate of Veterinary Inspection (CVI) means a legible record, made on an official form from the state of origin, containing an accurate description or identification of the animal including age, sex, breed, health status, and vaccination information.
10. The CVI must be signed, dated, and issued by a licensed and accredited veterinarian in that state.
11. Submitted CVIs must be as originally issued by the veterinarian; no CVIs with alterations, edits, or changes, will be accepted. The CVI must show that the animal meets all health requirements for the State of Illinois (species specific information noted later in this guidance).
12. CVI must show the name and address of the animal’s owner or exhibitor.
13. CVI must include the animal’s Animal Identification Number.
 - a. Animal identification number (AIN): A numbering system for the official identification of individual animals in the United States that provides a nationally unique identification number for each animal. The AIN consists of 15 digits, with the first 3 being the country code (840 for the United States or a unique country code for any U.S. territory that has such a code and elects to use it in place of the 840 code).
14. If one CVI is used for multiple animals, each animal identification must be made on a separate line.
15. Exhibitors are strongly encouraged to obtain electronic CVIs whenever possible; IDOA is moving toward only accepting electronic CVIs.
16. Exhibitors shall make CVIs available to Department of Agriculture and County Fair staff on request.

- a. If an official electronic CVI is utilized, the exhibitor should be able to log on and show County Fair staff or Bureau of Animal Health and Welfare Personnel the completed CVI.
17. If animals are from tuberculosis accredited, brucellosis certified, pseudorabies qualified, or brucellosis validated herds, the identifying herd number(s) along with the date of the last herd test(s) shall appear on the CVI.
18. CVIs for out-of-state livestock shall be void thirty (30) days after issuance.
19. CVIs for Illinois-origin livestock shall be void ninety (90) days after issuance.

III. QUARANTINE AND REMOVAL

20. Quarantine shall be at the animal owner (or exhibitor) risk and expense.
21. Quarantine and removal from the Fairgrounds shall be as determined appropriate by the County Fair Veterinarian, State Veterinarian, or their designee(s).
22. Quarantine will be required until the animal has been properly treated and recovered, or the animal can be released to return to the owner's premise, both in the opinion of the County Fair Veterinarian, State Veterinarian, or their designee(s).
23. Any animal presenting with a condition that would subject it to quarantine must be withdrawn from any/all entered competitions and are not permitted to exhibit.
24. Any condition meriting quarantine may also result in required removal of the animal from the Fairgrounds, as determined appropriate by the County Fair Veterinarian, State Veterinarian, or their designee(s).
25. Conditions subject to quarantine (not an exhaustive list)
- a. Any animal showing evidence of infectious, contagious or communicable diseases shall be held in quarantine.
 - b. Any livestock infected with scabies, mange, active lesions of ringworm, sore mouth, or multiple warts which are easily visible without close examination
 - c. Sheep and goats with caseous lymphadenitis as evidenced by draining abscesses
 - d. Suspicion of or diagnosis of a foreign animal disease, emerging animal disease, or other actionable disease, animals may be subject to quarantine on the fairgrounds until such time that it is determined that the disease is no longer a threat.
26. Any Illinois cattle, bison, Cervidae or goats being exhibited in non-accredited free states must be isolated from the remainder of the herd/flock upon return to Illinois and retested for tuberculosis 60-120 days post-entry back into the state.

IV. SPECIES SPECIFIC INFORMATION AND REQUIREMENTS

The information included below for any species is in addition to the requirements noted above. There are no additional species-specific information or requirements for llamas, pigeons, or rabbits.

CATTLE

Identification: Individual identification of each animal shall be by a USDA official animal identification number ear tag, ("840" tag). The identification tag must be able to be read both visually and electronically

Illinois Cattle

- Illinois is a Bovine Brucellosis Class-Free State and an Accredited Tuberculosis-Free State. Brucellosis and Tuberculin testing are not required for Illinois cattle.
- Illinois calves under 6 months of age are not required to have a Certificate of Veterinary Inspection.

Out-of-State-Cattle

- Brucellosis
1. Female cattle six (6) months of age and older and bulls eighteen (18) months of age and older shall be negative to an official test for brucellosis within thirty (30) days prior to entry onto the Fairgrounds, unless exempt by one (1) of the following:
 - A. Originate directly from a certified brucellosis-free herd.

- B. Official vaccinates of dairy breeds under twenty (20) months of age or official vaccinates of beef breeds under twenty-four (24) months of age.
 - C. Animal originated from a “Class Free” state (if entire state is so classified).
 - D. Animal is a steer or spayed heifer.
2. The negative brucellosis test shall be conducted at a state or federal laboratory within 30 days prior to entry onto the Fairgrounds.
 - Tuberculosis
1. Accredited Tuberculosis Free States
 - A. No tuberculin test required.
 2. Non-Accredited Tuberculosis Free Areas or States (Not TB Free)
 - A. Cattle must originate from a herd where a complete herd test was conducted within the past year.
 - B. The individual animals entering Illinois must be negative to an additional tuberculin test conducted within 30 days prior to entry onto the Fairgrounds.

ALL Dairy Cattle (In-State and Out-of-State): A rRT-PCR test for Influenza A virus (IAV) on milk from lactating dairy cattle present at the Illinois or Du Quoin State Fair shall be conducted prior to livestock arriving on the fairgrounds. The animals must be sampled no more than seven (7) days prior to the date of arrival, and a negative test record must be presented to Department staff.

SWINE

Identification: Individual identification of each animal shall be by a USDA official animal identification number ear tag, (“840” tag). The identification tag must be able to be read both visually and electronically.

Illinois Swine: Brucellosis and Pseudorabies testing are not required for Illinois swine.

Out-of-State Swine

- Brucellosis
 1. Breeding swine 4 months of age and older shall be negative to an official test for brucellosis within 30 days prior to entry onto the Fairgrounds unless exempt by one (1) of the following:
 - a. Originate immediately and directly from a validated brucellosis-free herd.
 - b. Originate directly from a validated brucellosis-free state.
 2. Swine brucellosis tests shall be conducted at a state or federal laboratory.
- Pseudorabies
 1. Swine originating from a Pseudorabies Stage IV or V state are exempt from the pseudorabies testing requirement.
 2. Swine originating from a Pseudorabies Stage III state shall be negative to an official test for pseudorabies conducted within thirty (30) days prior to entry onto the Fairgrounds or originate immediately and directly from a qualified pseudorabies negative herd.
 3. Swine originating from a Pseudorabies Stage I or II state shall be negative to an official test for pseudorabies conducted within 10 days prior to entry onto the Fairgrounds.
 4. Barrows and females in market classes must meet the same requirements as breeding swine.

SHEEP

Identification

- Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.
- Ear tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal. If the tattoos are not visible, another form of official identification must be presented.

- When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database. Market Lambs: All market lambs must be slick shorn (show ring ready) before weigh-in so that show lamb fungus can be identified. 4 Scrapie: Sheep originating from a flock that has previously been classified as either an infected or source flock can be exhibited in Illinois upon the completion of an approved flock plan. CVI must include the flock of birth and the flock of origin, if different.

GOATS

Identification

- Individual identification of each animal shall be by an ear tattoo or official metal or plastic tag. A microchip ID is acceptable if the owner provides the reader.
- Tattoos may be used when a registration certificate, listing the tattoo number, accompanies the animal. If the tattoos are not visible, another form of official identification must be presented.
 - Ears should be used for tattooing when possible. If there is no space in the ear, the flank or tail fold may be used.
- When using ear tags, the tag must indicate the premises ID and state of origin. The tag number must be assigned by a state or APHIS representative and recorded in the Scrapie Record Database.

Scrapie: Goats originating from a herd that has previously been classified as either an infected or source herd can be exhibited in Illinois upon the completion of an approved herd plan.

CVI must include the herd of birth and the herd of origin, if different.

Out-of-State Goats

Goats from states that are not Accredited Bovine Tuberculosis Free, must also have the following information included on their CVI:

- (1) that the goats originated from a herd where a complete negative herd test has been conducted within the past twelve (12) months and
- (2) the individual animals are negative to a tuberculin test conducted within thirty (30) days prior to entry onto the Fairgrounds.

HORSES, PONIES, MULES AND OTHER EQUIDAE

Equine Infectious Anemia

- All horses and other Equidae, twelve (12) months of age and older entering the Fairgrounds, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months.
- A copy of this test shall accompany the animal.
- AGID (Coggins) or ELISA tests are accepted.

Illinois Equine: A CVI is not required for Illinois equine.

Out-of-State Equine: All horses and other Equidae shall be accompanied by a CVI issued within thirty (30) days prior to entry onto the Fairgrounds.

POULTRY

1. All entries (except waterfowl, i.e., domesticated fowl that normally swim, such as ducks and geese) in a show or exhibition shall have originated from a U.S. Pullorum-Typhoid Clean or equivalent hatchery or 5 flock OR have a negative pullorum-typhoid test within 90 days prior to exhibition. Exhibitor shall show

proper information as to name and address of owner or exhibitor, name and address of the authorized testing agent, date of the testing and the number, breed, and species of those tested.

2. Prior to being used to transport poultry to a show, all crates, boxes, containers and vehicles shall be thoroughly cleaned and disinfected.
3. Any poultry vaccinations must be performed at least 4 weeks prior to delivery to the show.
4. Upon admission to a show, all entries shall be examined by the State Veterinarian or their designee or qualified state personnel who shall also receive and examine all certificates necessary for admission of birds to a show. Birds not in show condition will be removed from exhibition and must be removed from the Fairgrounds.
5. Any fowl showing signs of illness during the Fair will be removed from the Fairgrounds.
